

## Physical Release Form

The Foster Grandparents of the Wyoming Rockies Program places individuals, 55 and older, in schools, and human service agencies that serve youth under the age of 21 having disabilities and/or special needs. **Foster Grandparent volunteers must be physically and mentally able to serve a minimum of 20 hours per week without detriment to themselves or the children they serve.**

The Foster Grandparent Program is a not-for-profit organization that relies heavily upon donations and local support. Any donation is tax deductible and is greatly appreciated. We will be glad to furnish you with an In-Kind donation record at your request. Please note that the cost of any supplemental tests and medications are the responsibility of the Foster Grandparent and should be agreed upon before hand.

Please return the completed exam form to our office at:
